  A new variety with rich pink flowers.
  3lt 8.95

**CLETHRA**

- **alba Siberica**
  A vigorous shrub with brilliant red stems in winter, especially if hard pruned in March.
  #
  3lt 8.95
  5lt 24.95

- **alternifolia Argentea**
  Superb, silver-variegated shrub with ascending tiers of branches. Up to 3m.
  3lt 8.95

- **controversa variegata**
  The Wedding Cake Tree. Striking small tree. Silver-margined leaves on horizontal branches.
  3lt 24.95

- **Eddie’s White Wonder**
  Hard, small tree of compact habit. Large white flowers in Spring. Attractive autumn foliage.
  3lt 19.95

- **forside Cherokee Chief**
  Small tree with beautiful rose-red bracts and rich autumn foliage.
  3lt 19.95

- **forside Daybreak**
  Creamy-white, margined leaves and profuse, white bracts. Stunning pink autumn colour.
  3lt 19.95

- **forside Miss**
  Green leaves, crem mand pink flowers in early summer.
  3lt 19.95

- **forside Stokes Pink**
  Vigorous tree to 6m. Rich-pink bracts and good autumn colour.
  3lt 19.95

- **forside Sunset**
  3lt 19.95

- **kousa var. chinesis**
  Choice shrub/small tree smothered in white bracts early summer. Good autumn colour.
  3lt 19.95

- **kousa Bodnant**
  Plenty large white bracts. Large strawberry-like fruits. Attractive autumn foliage.
  3lt 19.95

- **kousa China Girl**
  A lovely selection with large elegant creamy bracts.
  3lt 19.95

- **kousa Chinesis**
  Large, elegant shrub with numerous white bracts and bronze and crimson autumn colour.
  3lt 19.95

- **kousa Gold Star**
  Beautiful variety with central yellow star on a dark-green leaf. Red autumn colour and strawberry fruits.
  3lt 19.95

- **kousa Satomi**
  3lt 19.95

- **kousa Snoebuy**
  Rare, slow-growing form. White-margined, greyish leaves flushed pink. Superb pink autumn colour.
  3lt 19.95

- **mas**
  Cornelian Cherry. Large shrub or small tree. Lots of small yellow flowers on naked twigs in February. Edible bright-red fruits.
  3lt 19.95

- **Norman Hadden**
  Beautiful small tree. Creamy-white bracts turning deep-pink in June. Large strawberry-like fruits in autumn. For a sunny, sheltered sight.
  3lt 19.95

- **nuttalii Pertlemouth**
  A Devon variety. Large, white bracts in May and again in Autumn. Good autumn colour.
  3lt 19.95

- **sanguinea Midwinter Fire**
  Superb winter bark colour of yellow to orange-red if pruned hard in Spring
  3lt 8.95

**CORYLOPSIS**

- **paucciflora**
  Extremely pretty, slow-growing shrub. Cowslip-scented, primrose-yellow flowers in March and pink-tinted young growth.
  3lt 10.95

- **spicata**
  A hazel-like shrub of medium size. In Spring narrow racemes of flowers, yellow with purple anthers, up to 15cms long.
  3lt 10.95

- **willmottiae Spring Purple**
  Medium sized shrub bearing soft yellow racemes in spring. Young leaves purple
  3lt 10.95

**CORYLUS**

- **avellana Aurea**
  Golden Hazel. Soft yellow leaves and yellow nuts.
  4lt 16.95

- **avellana Contorta**
  Corkscrew Hazel. Twisted and curling branches hung with long yellow catkins in winter.
  4lt 16.95

- **maxima Red Filbert**
  Purple Leaf Filbert. Purple leaves, long purple catkins and purple nuts. Striking.
  4lt 16.95

**COTINUS**

- **Flame**
  Round green leaves that turn brilliant orange-red in autumn. Fluffy pink flowers in summer.
  3lt 9.45

- **coggygria Grace**
  Gorgeous large soft purple-red leaves that are translucent in the evening sun.
  3lt 9.45

- **coggygria Royal Purple**
  Dark purple foliage and yellow flowers if left unpruned.
  3lt 9.45

**COTONEASTER**

- **hybridus Pendulus**
  Pretty, small, weeping, evergreen tree. Copious white flowers in Spring and bright-red berries in autumn.
  7.5lt 34.95

- **salicifolius Avonbank**
  Small but fast-growing, semi-evergreen tree. Large, leathery leaves and huge clusters of red berries
  7.5lt 34.95

**CRATAEGUS**

- **amoldiana**
  Beautiful, small tree with lobed leaves. White flowers and fruits like large, red cherries.
  7.5lt 34.95

- **gemmosa**
  Rare. Handsome, small tree with large fruits.
  7.5lt 34.95

- **linaciniata**
  7.5lt 34.95

- **laevigata Crimson Cloud**
  Single, deep-crimson flowered form of the Red Thorn.
  7.5lt 34.95

- **laevigata Paul’s Scarlet**
  Double Red May. Popular, hardy, small tree.
  7.5lt 34.95

- **laevigata Rosea Flore Pleno**
  Double Pink Thorn. Hardy, small tree flowering May/June.
  7.5lt 34.95

- **monogyna Biflora**
  The Glastonbury Thorn. Produces leaves earlier than normal and occasionally a crop of white flowers in Winter.
  7.5lt 34.95

- **prunifolia**
  Excellent, compact tree. Persistent, showy red fruits and a rich autumn colour.
  7.5lt 34.95

**CRINODENDRON**

- **hookerianum**
  Chilean Lantern Bush. Large, evergreen shrub with crimson lanterns in May.
  3lt 9.95

- **hookerianum Ada Hoffman**
  This form has beautiful pink lanterns.
  3lt 9.95

**CYTISUS**

- **battandieri**
  Pineapple Broom. Tall shrub. Cone-shaped, bright yellow, pineapple-scented flowers in July.
  5lt 21.95

- **battandieri Yellow Tail**
  A selected form with longer racemes.
  5lt 21.95
DAVIA - involucrata Handkerchief Tree. Beautiful tree, conspicuous in May when draped in white bracts.  7.5lt  38.95

DRYMIS - lanceolata Large evergreen, lanceolate leaves on dark red stems. Fragrant white flowers in May.  3lt  9.45

ELAEAGNUS - Quicksilver Large shrub with intense silver willow-like leaves and fragrant white flowers in June.  3lt  9.45

EMBOTHRIUM - coconeum lanceolatum Chilean Fire Bush. Semi-evergreen, large shrub or tree with glorious, orange-scarlet flowers in May and June.  3lt  12.95

ENKUANTHUS - campanulatus Erect shrub, urn-shaped sulphur to bronze flowers in May, brilliant autumn foliage.  3lt  8.95

EUROPHIA - gurnii Fast growing evergreen tree with startling blue-green rounded juvenile leaves.  3lt  9.45

EUCALYPTUS - gunnii Cotyledon leaves.  3lt  9.45

EUCRYPHIA - intermedia A small evergreen tree smothered in small white flowers in summer.  3lt  18.95

- lucida Pink Cloud Delightful, small, evergreen tree. Fragrant, pendulous flowers pink, white and red at the base.  3lt  18.95

- nymansensis Nymansay Columnar, small, evergreen tree whose 6cm white flowers wreath the branches in August and September.  3lt  18.95

EUONYMUS - alatus Spindleberry. Corky bark, brilliant crimson-pink autumn leaves, fruits reddish purple.  3lt  8.45

- europaeus Miss Pinkie Large shrub or small tree, small white flowers in summer followed by pink fruits and brilliant Autumn colour.  3lt  16.95

- phellomanus Large shrub with corky winged bark, conspicuous pink fruits, brilliant Autumn colour.  3lt  16.95

EXOCHORDA - x macrantha The Bride Dense, weeping habit. Wreathed in white flowers in April.  3lt  8.95

FAGUS (BECH) - sylvatica Aspleniifolia Fern leaved beech. Deeply cut green leaves. Slow.  3lt  22.95

- sylvatica Aurea Pendula Slender steeply-pendulous branches. Golden yellow foliage.  3lt  22.95

- sylvatica Dawkyck Gold. Dense, columnar tree with bright golden foliage, turning yellow/green.  3lt  22.95

- sylvatica Dawkyck Purple Dense, columnar tree with purple foliage  3lt  22.95

- sylvatica Luteovariagata Striking yellow-variegated foliage  3lt  22.95

- sylvatica Pendula Weeping Beech. Spectacular large weeping tree with green foliage.  3lt  22.95

- sylvatica Purple Fountain Elegant Purple Beech with erect leader and steeply weeping side branches.  3lt  22.95

- sylvatica Purpurea Tricolor Purple beech with bright pink edged young leaves.  3lt  22.95

- sylvatica Riversi Copper Beech. Selected form with large dark purple leaves.  3lt  22.95

- sylvatica Rohani Gold Slower columnar form. Narrow leaves, deeply cut into slender lobes.  3lt  22.95

- sylvatica Rohani Obelisk An upright form. Relatively narrow, deeply lobed purple leaves.  3lt  22.95

- sylvatica Rohani Pendula Fern-like Beech. Beautiful slow-growing tree with deeply cut purple leaves  3lt  22.95

FARGESIA - murielae Elegant bamboo to 3.5m. Narrow yellow green canes  3lt  19.50

FOTHERGILLA - major Monticola Group Slow growing medium shrub. Fragrant white flowers and superb Autumn colour.  3lt  9.45

FRAXINIUS (ASH) - americana Autumn Purple Soft green foliage, turning scarlet in autumn.  7.5lt  29.95

- angustifolia Raywood Golden Bark Ash. Vigorous clone. Young shoots golden yellow.  7.5lt  29.95

- excelsior Jaspidea Strong growing, stately, weeping form. Magnificent specimen.  10lt  29.95

- excelsior Pendula A small tree with steeply weeping golden-yellow branches.  7.5lt  29.95

GARRYA - elliptica Magnificent evergreen for North or East walls. Draped in long grey-green catkins January and February.  3lt  12.95

OSMANTHUS
- delavayi  Small-leaved evergreen to 2m. Fragrant Jasmine-like white flowers in April.

PARROTIA
- persica  Wide-spreading small tree. Flaking older bark, beautiful crimson and gold autumn colour.

PAULOWNIA
- tomentosa  Striking, large heliotrope, foxtail-like flowers in spring. Alternatively it can be pruned to the ground in spring to produce enormous architectural leaves.

PHORMIUM
PHOTINIA
- X.fraseri Red Robin  Large vigorous evergreen with dark shiny leaves and brilliant red young growth.
- X.fraseri Little Red Robin A smaller version of the above. 1m
- Redstart Vigorous evergreen with narrower leaves than Red Robin. New shoots mahogany red

PHYLLOSTACHYS
- aurea  Graceful bamboo 2.5 to 3.5m high. Canes mature pale creamy yellow.
- nigra  Much sought after Black Bamboo. Mottled dark brown to black canes. 2.5m to 3.5m.

PHYSOCARPUS
- opulifolius Dar’s Gold  Small, compact shrub with golden foliage and dense clusters of white flowers in June.
- opulifolius Diablo  A new variety with superb dark purple leaves.

PITTIOSPORUM
- Abbotsbury Gold  Usually a good range of varieties in stock.
- Tom Thumb Handsome yellow-green leaves on a strong growing plant.
- tenuifolium Purpurea  Attractive evergreen with rich purple foliage.

PITULUS
- nigra Lombardy Gold  Striking, columnar tree with bright golden foliage.
- tremula Erecta  Narrowly columnar habit. Leaves tremble in the slightest breeze. Long grey catkins.
- tremula Pendula  Effective small weeping tree. Attractive long, purple-grey catkins in February.

PROSTANTHERA
- ovifolium  Tender evergreen bush. Beautiful soft mauve flowers early summer. Fragrant foliage.

PRUNUS
- Accolade  Excellent small flowering cherry with spreading habit and rich pink flowers in April.
- Amanogawa  Columnar cherry with shell-pink, semi-double, fragrant flowers.
- cerasifera Nigra Purple-leaved plum. Leaves and stems purple-black, flowers pale pink early spring.
- cerasifera Spring Glow  Semi-double bright pink flowers and deep purple foliage.
- cerasifera Trailblazer  Bronze-purple and green leaves, flowers pink in bud opening white.
- Cheal’s Weeping  Pretty small weeping tree with pink double flowers in May.
- Gyokyo  Ascending branches. Flowers semi-double, creamy-white, streaked green and often tinged pink. Young leaves reddish-brown.
- glandulosa Alba Plena  Very beautiful shrub with comparatively large white double flowers in April.
- glandulosa sinensis  Double bright pink flowers.
- Hally Jolivette  Small graceful tree or large shrub. Blush-white, semi-double flowers in spring.
- incisa Koji no mai ‘Dance Of The Butterflies’. Dwarf variety, zig-zag branches, pink-white flowers and rich autumn foliage.
- incisa The Bride  Lovely, shrubby variety with big pinky-white flowers in March. Good autumn colour.
- Jo-nori  Strong growing variety with deliciously fragrant single white flowers in spring.
- Kanzan  Upright variety with rich pink double flowers and bronze young leaves.
- Cheal’s Weeping  Very popular small weeping tree, pink double flowers in May.
- Kursar  Small tree, masses of deep pink flowers in March, rich autumn colour.
- pendula Pendula Rubra  subhirtella Pendula Rubra Small, pendulous tree with single pink flowers early spring
- Pink Parasol  Beautiful spreading tree. Heavy clusters of pale pink double flowers in April.
- Royal Burgundy  Striking new variety. Deep pink double flowers set off by deep purple foliage.
- serra  Insignificant flowers, but the most beautiful mahogany-brown peeling bark.
- Shiratoe  Mount Fuji Cherry. Horizontal spreading branches, beautiful semi-double white flowers.
- Shogetsu (Okumyakyo)  One of the loveliest cherries. Wide-spreading branches, white double flowers.
- spinosa Plena  Beautiful double-flowered ‘Blackthorn’. White flowers crowd the branches in spring.
- x subhirtella Autumnalis  Small white flowers in mild spells all winter. Foliage colours orange-red in autumn.
- x subhirtella Rosea  Soft pink flowered winter cherry.
- Taihaku  The Great White Cherry. Flowers large, single, dazzling white. Copper young leaves.

PYRUS
- calleryana Chanticleer  Ornamental pear. Dark shiny leaves turning red in autumn and lasting into November
- salicifolia Pendula  Silver Weeping Pear. Silver-grey willow-like leaves and cream flowers in spring.

QUERCUS
- cerris Variegata  Variegated Turkey Oak. Slow growing form with striking creamy edged leaves.
- coccinea Splendens  Scarlet Oak. Large dark green leaves turn a beautiful red in autumn.
- x Iucomebea William Lcombe  Large semi-evergreen tree from Exeter. Pale grey fissured bark and long leaves.
- robor  English Oak.
- robor Concordia  Golden Oak. Slow growing, leaves suffused golden yellow spring and summer.
- robor Pendula  Small to medium sized tree with pendulous branches.
- robor Purpurea  Small to medium sized tree with deep purple leaves.
- rubra  Red Oak. Large, fast growing tree with large shiny leaves, turning red in autumn.
- rubra Aurea  Large leaves, soft yellow in spring and early summer.
